

## **NWS SPIRIT FC SOCIAL MEDIA POLICY**

### **PURPOSE**

Social media offers the opportunity for people to gather in online communities of shared interest and create, share or consume content. As a member based organisation, North West Sydney Football Spirit FC (Spirit FC) recognises the benefits of social media as an important tool of engagement and enrichment for our members.

It is important that the reputation of Spirit FC and the sport generally is not tarnished by anyone using social media tools inappropriately, particularly in relation to any content that might reference Spirit FC.

When someone clearly identifies their association with Spirit FC, and/or discusses their involvement in the organisation in this type of forum, they are expected to behave and express themselves appropriately and in the ways that are consistent with Spirit FC's stated values and policies.

This policy aims to provide some guiding principles to follow when using social media. This policy does not apply to the personal use of social media platforms by Spirit FC members or staff that makes no reference to Spirit FC or related issues.

### **SCOPE**

This policy applies to Spirit FC Members, Participants and staff of Spirit FC.

This policy covers all forms of social media. Social media includes, but is not limited to, activities such as:

- Maintaining a profile page on social or business networking sites (such as LinkedIn, Facebook, Shutterfly, Twitter or MySpace);
- Content sharing including Flickr (photo sharing) and YouTube (Video Sharing);
- Commenting on blogs for personal or business reasons;
- Leaving product or service reviews on retailer sites or customer review sites;
- Taking part in online votes and polls;
- Taking part in conversations on public and private web forums (message boards); or
- Editing a Wikipedia page

The intent of this policy is to include anything posted online where information is shared that might affect members, colleagues, sponsors or Spirit as an organisation and the reputation of the sport in general.

### **GUIDING PRINCIPLES**

The web is not anonymous. Spirit FC Members, Participants and staff should assume that everything they write can be traced back to them.

Due to the unique nature of Spirit FC, the boundaries between a Spirit Member, Participant or staff's profession, volunteer time and social life can often be blurred. It is therefore essential that staff and Members make a clear distinction between what they do, think or say in their capacity as a staff member or Member of Spirit FC.

Spirit FC considers all staff, Participants and Members of the organisation as its representatives.

When using the internet for professional or personal pursuits, all staff, Participants and Members must respect the reputation of Spirit FC, other staff and anybody else involved in our sport and follow the guidelines in place to ensure that sport's intellectual property or its relationships with sponsors and stakeholders is not compromised (see "Branding and Intellectual Property" below) or the organisation is brought into disrepute.

## **USAGE**

For Spirit FC Participants, Members and staff using social media, such use:

- Must not contain, or link to, libellous, defamatory or harassing content – this also applies to the use of illustrations or nicknames;
- Must not comment on, or publish information that is confidential in anyway;
- Must not bring the organisation or the sport into disrepute; or
- Must not otherwise be in breach of the FFA Code of Conduct.

For Spirit FC staff using social media, such use must not interfere with work commitments.

## **BRANDING AND INTELLECTUAL PROPERTY**

It is important that any trademarks belonging to Spirit FC are not used in personal social media applications, except where such use can be considered incidental (where incidental is taken to mean "happening in subordinate conjunction with something else").

## **OFFICIAL SPIRIT FC BLOGS, SOCIAL PAGES AND ONLINE FORUMS**

When creating a new website, social networking page or forum, care should be taken to ensure the appropriate person has given permission to create the page or forum.

Similarly, appropriate permissions must be obtained for the use of logos or images.

Images of children may not be replicated on any site without the written permission of the child's parents and/or guardian.

For official Spirit FC blogs, social pages and online forums:

- Posts must not contain, nor link to pornographic or indecent content;
- Some hosted sites may sell the right to advertise on their sites through "pop up" content which may be of a questionable nature. This type of hosted site should not be used for online forum or social pages as the nature of "pop up" content cannot be controlled;
- Spirit employees must not use Spirit online pages to promote personal projects; and
- All materials published or used must respect the copyright of third parties.

## **CONSIDERATION TOWARDS OTHERS WHEN USING SOCIAL NETWORKING SITES**

Social networking sites allow photographs, videos and comments to be shared with thousands of other users.

Spirit FC Participants. Members and staff must recognise that it may not be appropriate to share photographs, videos and comments in this way.

For example, there may be an expectation that photographs taken at private Spirit events will not appear publicly on the Internet. In certain situations, Spirit FC Participants, staff or Members could potentially breach the Privacy Act or inadvertently make Spirit liable for breach of copyright.

Spirit FC Participants, Members or staff should be considerate to others in such circumstances and should not post information when they have been asked not to or consent has not been sought and given. They must also remove information about another person should they be asked to do so.

Under no circumstance should offensive comments be made about Spirit FC, staff and Spirit Participants and Members online.

## **BREACH OF POLICY**

Spirit FC will continually monitor online activity in relation to the organisation and the sport. Detected breaches of this policy should be reported to Spirit FC.

If detected, a breach of this policy may result in disciplinary action from Spirit FC under the Spirit FC's Constitution.
